CAREERS IN FEDERAL PRACTICE

Join us for a panel discussion on careers in federal practice, featuring four prominent attorneys in government or private practice who regularly appear in federal court. The panelists will discuss their career paths and what drew them to federal practice, the importance of mentorship, and ways to get involved in the Federal Bar Association of Los Angeles, including through the FBA-LA Mentorship Program, which pairs up newer lawyers and law students with more experienced attorneys in their practice area of interest. FBA membership is currently free for law students!
